Good Faith Network

**GOOD
FAITH
NEWS**

**Good Faith Network
prepares for upcoming
CELEBRATION!**

July 14, 3:00 p.m., Islamic Center of Johnson County

If you've been curious about what goes into making the Nehemiah, then the **3rd Annual GFN Celebration** is where you'll want to be!

JOIN US on July 14th from 3 p.m. to 4:30 p.m. at the Islamic Center of Johnson County as we look at our campaigns' strategic moves, hand out AWARDS to some of our most dedicated congregations and network members, and play games to enjoy great fellowship with one another! Light refreshments served!

See you there!

Good Faith Network Hosts Investment Drive Kick-off

June 10th-- Good Faith Network has officially kicked off the summer with the annual Investment Drive Team Leader Assembly! In mid-June team leaders gathered together to receive information and training from staff and fellow team leaders! Those in attendance received Celebration invitations and pledge cards to give to their network members.

Good Faith Network strives to be 100% member-owned, so as to rely less on grants that are not always guaranteed in the future. All the money raised from network will ensure that Good Faith Network remains operational for years to come. Funds go towards expenses such as staff salaries, local, regional, and national trainings, office supplies, event planning and more.

Talk to your team leader for more information about the celebration and the investment drive!

Look below for photos from the recent Team Leader Assembly:

Good Faith Network visits with Johnson County Businesses

Although Good Faith Network aims to be fully membership-owned, another crucial aspect to the investment drive includes corporate investments.

This summer, Good Faith Network staff is dialing the phones non-stop to land corporate appointments with the CEOs of Johnson County businesses. We seek corporate investments from businesses because, through our collective power as an organization, we help solve community issues that business leaders also have a stake in. Good Faith Network leaders will be going on these appointments all summer, so check out each upcoming newsletter for corporate visit updates!

Upcoming Corporate Appointments:

- Rick Oddo of **Oddo Development**
- Harold Phelps of **Phelps Engineering**
- Kevin Boehringer of **BSE Structural Engineers LLC**
- Lisa Brewer of **Realty Executives of KC**
